F A C T O R

Not only is this an opportunity to earn the undying admiration of your fellow learners and staff throughout Zenos, it is also a way of winning some serious prizes!

So, whether you juggle or jiggle, sing, dance, stomp or stamp, mime or magic – on your own or as part of a group – then we want to give you your break into the big time!

During the months of June and July, we'll be holding auditions at selected Zenos Academies across the country, so come along and amaze us with your talents.

A panel of “celebrity” judges will decide which acts make it through to the next stage of the competition – and the opportunity of a lifetime.

The finalists will be invited to perform live as a special VIP Zenos event later in the year – when the ultimate winner of Z Factor 09 will be selected.

The winner will receive a cheque for £1,000, a fantastic trophy to keep for all time and the opportunity to capture your talents in a recording studio/video studio/dance studio * subject to the nature of the winning act.
